2016-2017 Parish Grant Application

Family Name: _____

Giving – Please describe your families’ stewardship of treasure, specifically its consistent financial support of the parish regular offertory and other tithing. If you are unable to give financially, please describe extenuating circumstances.

Giving – as our Catholic tradition invites us into a lifestyle of stewardship, each of us are “intentional givers” – sacrificially and proportionally sharing our time, talent and treasure.

Connecting – Please describe your families’ participation in small group discipleship; (i.e. Knights of Columbus, Ministry of Hope, St. Vincent DePaul, Parish Women, MOMs, and other groups.)

Connecting – as discipleship is lived in relationship, each of us is engaged in the parish family through some small group commitment, where holy encounter with Jesus and with others is lived, cherished, and a source of encouragement.
