

## Our Lady of Perpetual Help

### SPICE Grant Application

*The Our Lady of Perpetual Help SPICE program recognizes that each of our Parish and School children are unique individuals with different gifts, talents and learning needs. Special People In Catholic Education (SPICE) assists our Parish as we work to serve a broad range of students, with many different learning styles. We believe that each child in our Parish is a child of God and possesses his or her own unique spiritual and educational needs. Working together with the support of the parish and the school community, SPICE can help to provide understanding, information and creative opportunities for all of our children.*

SPICE encourages both school and PSR teachers in collaboration with students and parents to submit grant requests that will support the learning of our parish children. Grants will be awarded on a quarterly basis. Amount and number of grants will be determined by funds available at the time of the application. Please note that due to SPICE meeting monthly, it may take up to 60 days for a grant to be reviewed. **Please email form to Amy Boland at amybolandphd@gmail.com.**
